

"Esso" (Sung to the tune of "I Feel Fine")

From B. C. to Montreal
The greatest gasoline of all is Esso
Buy it while you can and you'll feel fine

Put a tiger in your tank
And then you'll take it to the bank--it's Esso
Doesn't cost a lot; you will feel fine

Esso has been there for many years
Rain or snow or sun they've got it here

Why not go to Esso right away
All over Canada they'll say "It's Esso!"
The Great White North is where you will feel fine
